

SECTORS

With a combined 35 years' of experience our Directors have extensive experience of a range of sectors as detailed below;

COMMERCIAL

We advise developers, investors, land owners, corporate occupiers, logistics companies and public sector bodies to achieve the most from their office and industrial assets. Ranging from city centre office proposals for a pension fund to strategic land advice for a private developer.

EDUCATION

Advisors to universities, colleges, schools on new education facilities, relocation strategies and disposal of surplus assets in order to maximise the value of their landholdings.

ENERGY

Renewable energy proposals including waste to energy plants, wind and solar farms.

HEALTHCARE

Providing advice to care providers, investors, developers and lenders. This has involved care homes, hospitals, dentists and pharmacies and supported living villages.

HERITAGE

Ensuring that development proposals fully consider and mitigate any heritage impacts. Considerable experience of large scale proposals in Conservation Areas and complex proposals affecting the historic fabric and setting of Listed Buildings.

SPORTS AND LEISURE

Our experience has included advising on new football stadia, racecourse developments, hotel operators and proposals for glamping and luxury lodge parks. We also actively engage with Sports England where proposals result in loss of playing fields.

RESIDENTIAL

Extensive residential experience of small, medium and large scale residential proposals of all complexities. Advising on how to unlock the development potential for residential development for land owners, house builders, institutions, funds, promoters and registered providers.

STRATEGIC LAND

Work with landowners, housebuilders, the public sector and specialist promoters to identify, promote and deliver strategic land opportunities.

SPECIALIST RESIDENTIAL

Extra care and assisted living schemes and specialist retirement accommodation.

STUDENT ACCOMMODATION

Advisors to universities and colleges on their residential portfolios, private landlords and specialist student accommodation providers.
